WORLD-WIDE RALLY FOR FREEDOM

We will ALL be there!

Kassel, March 05, 2021

On Saturday the 20th March 2021, a World-Wide Demonstration for Freedom, Peace, and Democracy will take place in more than 40 countries all over the world. We will reclaim our fundamental rights, and take a stand against excessive Coronavirus restriction measures.

Objectives of our protest

Our Fundamental Human Rights have top priority, and are not negotiable.
The Excessive and Unlawful Coronavirus Restriction measures must end immediately.

The Unreasonable and Tyrannical suppression of dissent by police forces must be stopped.
In the past year, people's Livelihoods and Freedoms have been destroyed by Lockdowns and Border closures.

We have had our bodily autonomy violated by mask mandates, and plans to mandate Coronavirus Vaccinations are being rolled out internationally.

These are unacceptable constraints on our Freedom.

We are taking a stand for 5 important Freedoms:

- Freedom of Speech.
- Freedom of Movement.
- Freedom of Choice.
- Freedom of Assembly.
- Freedom of Health.

The Time for Action is Now.

We call on all opponents of the Coronavirus Restriction policies of their own government to participate in this World-Wide Protest.

As one massive, united, and peaceful community, we will stand up and demand an end to the current restrictions and authoritarian control measures.

Since the beginning of 2020, we have grown together locally and become a part of a broader Freedom Movement around the World.

We have made many new friends, and found that we are not alone in our desire for Freedom.

Now we will stand up. One Day. Everyone Together.

Our Diverse, Peaceful and Powerful movement will not be divided.

We reject all acts of violence, identity politics, and discrimination of any kind within our movement.

We would like to encourage and call on everyone to peaceably and publicly assemble, and speak out against the Authoritarian Coronavirus restrictions that have damaged our lives more than any virus has.

We have received an overwhelming amount of support from many countries and are collaborating with organizers locally to deploy a wide variety of events.

We are thrilled to announce that on Saturday March 20th, 2021, we will all demonstrate one day internationally for our Fundamental Human Rights, for our Constitutionally Protected Freedoms, and for the end of the excessive Coronavirus restriction measures.

Now that each nation has established organizations for Freedom Demonstrations, this international collaboration has been made possible, and will strengthen the resolve of our movement.

The actions of Governments during the Coronavirus pandemic is an International problem that calls for an International response.

We stand together for humanitarian values, and as a beacon of true International Solidarity.

We are thankful that so many people are hearing our message, and responding to this call.

Notes on party politics
